Re: Rejection Filing No: 2011-0036472

Dear Ms. Gonzales:

In reference to the identified rejection notice you have provided the University, please see the information below:

- Please see the attached application and the backside of page one as our application was printed in duplexed fashion.
- I believe the original filing number is 01-426725.
- A brief description for line 1 is as follows: "A bucking horse character with the lettering "UW" on its hip with a young child riding on top of it holding the horse's reins."

I hope the above description in this letter will suffice for the revised renewal. However, it is worth noting that the description provided in this renewal matches the original application and is consistent with your request in a previous disapproval.

Sincerely,

Shaun Ziegler  
Trademark Licensing Manager
